Bristol & Avon Group Shipping Container Fit-Out

cobus

The workspace completed with Bristol and Avon Group is a perfect example of our ability to take on projects a little bit out of the ordinary. This family-owned business was founded in 1993 and is now a key company in the regeneration of Bristol and its surrounding area, specialising in haulage, land remediation and waste management.

As part of a major relocation, the client wanted premises with a difference. To create it, they worked with the RICS Award shortlisted team at Container City, creating an innovative headquarters including offices, meeting rooms and breakout areas out of shipping containers.

We worked closely with Bristol and Avon to offer a range of solutions for fitting out their exciting new space. Covering three storeys – with the option of a fourth to be added later – we've supplied the client with everything from a bespoke reception counter through to frameless glazing.

Clean, modern lines and a high-end industrial look were what Bristol and Avon wanted from us, and we delivered. The new premises don't just look great though: they're also comfortable and functional, and that's helping improve productivity and morale among the company's workforce.

Project Date: 2016
Project Manager: Lloyd Coldrick
Project Value: ££
Categories: Office & Commercial

"It's a pleasure to work with Cobus. They always give us a very professional and seamless service from the start of every project, which is why they've been our preferred supplier for furniture and fit-outs for more than ten years now. As well as taking the hassle out of projects like ours, they offer a huge amount of expertise and advice to help us reach the end goal we're looking for. As for our new offices, it's a great environment to work in and the furniture is functional and high-quality, not just great to look at!"

Client Quote

The word "cobus" is written in a lowercase, teal-colored sans-serif font. A vertical teal line runs through the letter 'o'. Below the word, a horizontal teal line extends from the right edge of the page, forming an L-shape that frames the bottom right corner of the page. To the right of the text, there is a large, vertical, blurred image of an interior space, primarily in shades of orange and brown, with a white wall and a white object visible on the right edge.
