Bath College West of England, Institution of Technology Fitout

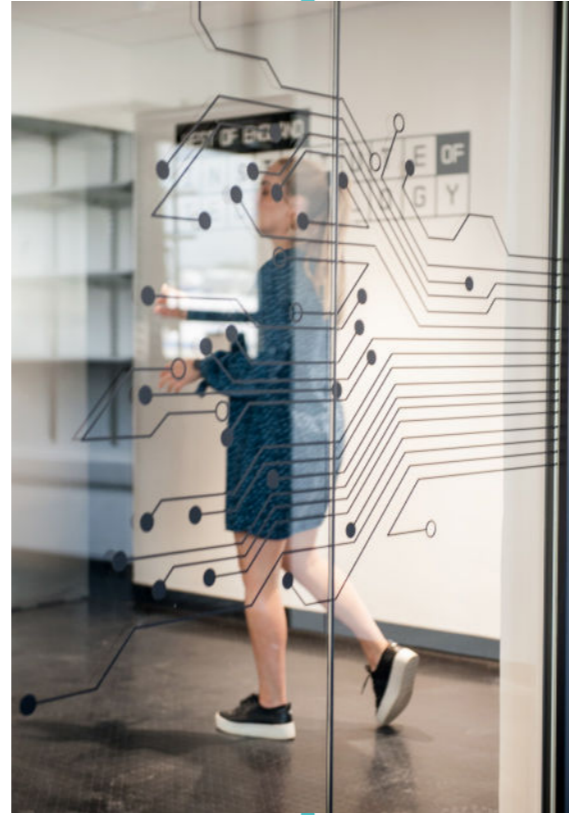

cobus

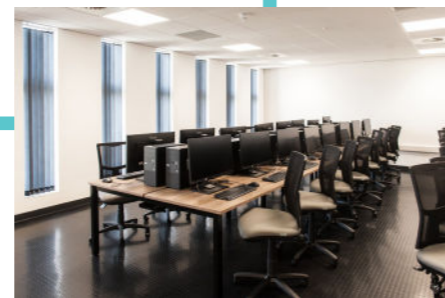

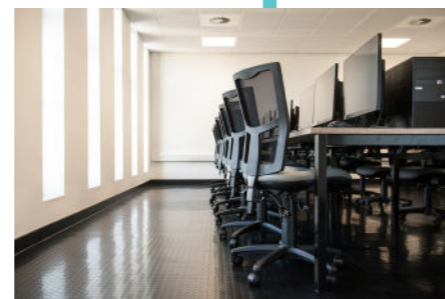

Bath College awarded Cobus the furniture fitout and installation of the West of England, Institution of Technology suite at the City Centre Campus. Working alongside the architect and college, Cobus specified cost effective products which met the brief, which was to provide the contemporary, industrial aesthetic to the new space.

It's another fantastic place for the students at Bath college to study and collaborate with their peers!

We were tasked to fit out classrooms, meeting spaces, collaboration and multi-use areas across the two floors. Our team at Cobus specified the furniture and finishes to integrate seamlessly within the space. The monotone palette which runs throughout the furniture and finishings, complimented with the highlights of yellow, sets off the industrial feel of the space.

Project Date: August 2022
Project Manager: Chris Reed
Project Value: ££
Categories: Education, Furniture
